## Entertainment

If you're keen for your event to have that extra special touch, have a chat with our talented team to discuss entertainment options. They can turn their hand to (almost!) anything and have previously organised private cabarets, 'Rock-eoke', magicians, singing waitresses, saxophone players and musical bingo, to name just a few. We can also host bespoke brunch parties for bookings over 40. With a wealth of ideas up their sleeves, they'll be delighted to help you arrange the perfect entertainment for your party.

## Hen Party Packages

We know how important your big day is! Embargo Republica's hen night packages offer the ultimate party night out for all you hens looking to let loose that one last time! Whether you're coming for a groovy boogie with your girls or wanting to book a cocktail masterclass or something a little bit different, get in touch with our specialist event planners now. We'll be delighted to advise you on how to keep your hens happy with our free-range activities!

## Catering

We concentrate on providing our guests with the very best entertainment experience, thus we don't offer in house catering. Instead, we leave that to the experts by working closely with local independent restaurants. That way, we can support the local community while offering you a wide range of catering options to suit your taste and budget. Enquire now to discover more about what we can offer. We are also happy to accommodate external catering if you wish to organise this yourself. Please note that catering does not count towards your minimum spend or venue hire. Sample menus are available upon request.

## Pricing

Our dedicated expert event planners always tailor pricing and packages to suit the client's requirements.

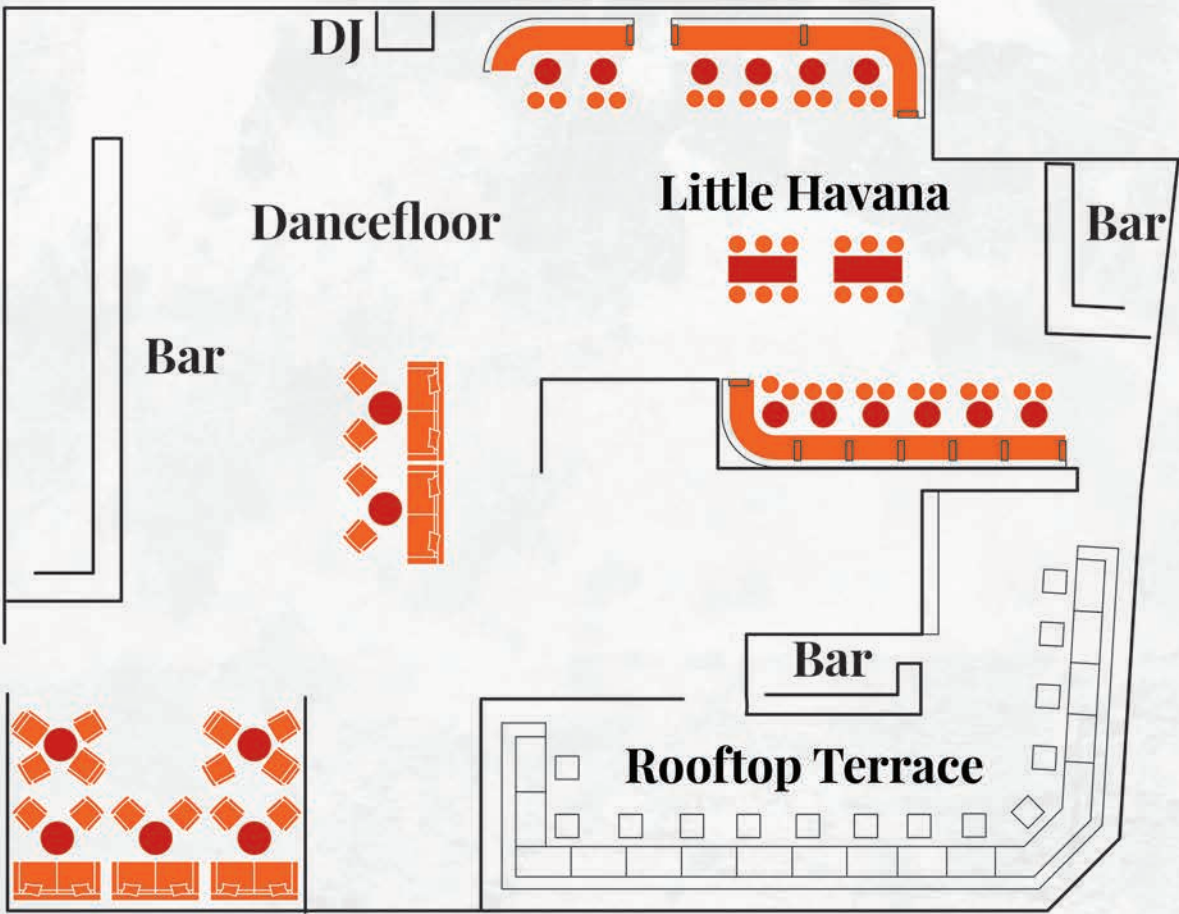

We tailor your event to make each experience fabulous and one to remember. Please note that prices may change during the year.

We have to ask that all private hire clients pay a deposit on booking and that the full amount be paid in advance of the event.
