Don't just take our word for it...

Over the years we've hosted many, many parties and events with great success. Here is just a selection of what our lovely guests had to say about their events with us...

MailOnline

"Mailonline Christmas Party 2019 was a smashing success, due to the great location, venue space and exceptional service and accommodating event host. Would highly recommend having a party at Embargo".

Connie Sideras - Mailonline

NSPCC

"Thank you to the amazing Embargo Republica team for all of your support for The Electric Ball in aid of the NSPCC - you were such an incredibly positive, professional and patient team hosting hundreds of teens on a Monday night! We couldn't raise the funds that we do for Childline without all of our sponsors and supporters but it is also a huge success because the evening itself is so much fun! We can't wait to do it all over again in October...bring it on!"

Kate Dale - NSPCC
